VISITOR GUIDE

Castles, rural heritage and charming small towns on Lake Mälaren

Gripsholm Castle, Mälsåker Castle and Strängnäs Cathedral are exciting destinations for anyone interested in Swedish history.

The natural beauty around Åkers Styckebruk appeals to outdoor enthusiasts, attracted by the Sörmlandsleden hiking trail and the opportunity to glide around Marvikarna nature reserve in a canoe.

The Pilgrimsleden trail on Fogdön is popular with walkers and cyclists alike, while Selaön has remains from Viking times along with several cycle trails.

The picturesque town centres of Strängnäs and Mariefred are also a joy, with their charming shops, cafés and restaurants. Sitting right on Lake Mälaren, there is always a great buzz along the shoreline promenades.

Activities

Canoeing

Canoe from Marvikarna to the sea. You can paddle a canoe or kayak from Åkers Styckebruk to Trosa on the east coast via a 40 km canoe trail, taking you through amazing countryside, along narrow straits with steep banks and across beautiful lakes. strangnas.se/paddla

Hire a canoe or kayak from Kanotkungen for a daytrip or a longer adventure. You can make your own itinerary with different places to start and end. kanotkungen.se

Experience the town of Strängnäs from the water or paddle around Gripsholm Castle in Mariefred. Head to our guest harbours to hire a canoe, kayak, paddleboard or pedalo.

Visholmen in Strängnäs has a self-service Kayakomat, open 24/7, where you can book and hire a kayak or paddleboard. strangnas.se/paddla

Hiking

Beautiful sections of the Sörmlandsleden hiking trail pass through the former mining district of Åkers Bergslag. You can easily pick up the trail, which has both shelters and firepits in several locations. Read more about the sections: sormlandsleden.se

Planning tool and useful information before your hike: visitsormland.se/vandra

Read about other hiking trails, both in Åkers Bergslag and on Fogdön: strangnas.se/vandra

Cycling

Näckrosleden is a 700 km cycle trail that runs around the whole province of Sörmland. The Mälardalsleden trail circles Lake Mälaren and covers 440 km in total. Some of the passenger ferries on Lake Mälaren take bikes on board – start or end your cycle along Mälardalsleden with a boat trip. Bikes can be hired down by the harbour in Strängnäs. Information and maps: strangnas.se/cykla

Fishing

Great fishing can be enjoyed both on Lake Mälaren and in the mining district of Åkers Bergslag. Some lakes in Åkers Bergslag are “put and take” lakes with game fish. Fishing in Lake Mälaren is free for those using handheld equipment such as casting and fishing rods. A fishing licence is required for fishing in the lakes around Åkers Styckebruk. strangnas.se/fiske
